Perpetual Trophies

Lyla Fisher Memorial Trophy – Alpaca of the Year Huacaya

Inaugurated in May 2002.

Lyla was a foundation member of the Region and from the early '90s to her untimely passing in 2002, was totally committed to the Region and to the Alpaca Industry, serving the Region in every possible capacity – a highly reputed alpaca breeder; show organiser and programmer; a dedicated committee member, Secretary, Treasurer, Vice-President and President. Her legacy lives on with us, through this award.

Keith Turner Memorial Trophy – Alpaca of the Year Suri

Inaugurated in April 2010.

Keith, a product of Dookie College, with cattle and dairy farm origins that began in South Gippsland, traversed into Queensland and returned to South Gippsland where he and his wife Glenda established Mawbanna Alpacas. Keith's animal husbandry background together with Glenda's alpaca fibre processing skills created a successful venture into quality Suri breeding. Together the couple travelled Australia to learn of the processing of alpaca fleece and further develop their involvement in specialised alpaca handcrafts.

An outdoors man, an ambassador for the alpaca industry, Keith passed away in 2009.

Bill Plunkett Memorial Trophy – Champion Fleece

Inaugurated in April 2007.

Affectionately known as "The Godfather", Bill passed away in 2006. A long serving committeeman, a Vice- President and President of the Region and Chairman of the Regional Showing Sub-committee, Bill was the force behind the Show rules and protocols we adhere to today. The consummate Chief Steward, his workshops throughout Australia and NZ stand as testimony to his skill. His unique love of natural fibres lives on through this award.

Dianne Condon Memorial Trophy – Best New Breeder

Inaugurated July 2012

Dianne loved alpacas and the Industry with a passion.

A long standing member of the Region, Dianne served extensively at both regional and national committee level. In co-ownership with her husband Ron, their highly successful Shanbrooke Alpaca Stud gained early world-wide recognition. A national and international Show judge, Dianne was accorded an AAA Life Membership for her service to the Industry. Dianne, who passed away on 12th January 2012, is remembered with great affection.

1. Rules

(a) The Victorian Eastern Region Alpaca of the Year awards for both Huacaya and Suri Alpacas will only be achievable by members of the Victorian Eastern Region (VER) of the Australian Alpaca Association (AAA). In order to achieve these awards, eligible exhibits have the opportunity to be judged at five Victorian Eastern Region Shows (excluding any show that do not run). These are deemed as ‘Qualifying’ shows.

(b) Huacaya and Suri will each receive an award for their respective breed:

(i) ‘VER Huacaya Alpaca of the Year’

- The winner of ‘Huacaya Alpaca of the Year’ will receive the Huacaya Alpaca of the Year Sash, the Lyla Fisher Memorial Trophy and Replica Trophy.

(ii) VER Suri Alpaca of the Year’

- The winner of ‘Suri Alpaca of the Year’ will receive the Suri Alpaca of the Year Sash, the Keith Turner Memorial Trophy and Replica Trophy.

(c) At the conclusion of the ‘Qualifying’ shows during the respective financial year, the eligible Huacaya and Suri exhibits with the highest number of points accumulated at their best three shows, will be deemed the winner of the breed’s award.

VER Annual Trophies and Awards Policy 1/11/2020.

Includes AOTY Competition Rules and Best New Breeder Competition Rules.

(i) Under special circumstances, the number of qualifying shows may be reduced to allow for the competition to proceed (eg. the cancellation of two or more qualifying shows within one competition year).

2. Eligibility Criteria

(a) Exhibits must be registered with the Australian Alpaca Association.

(b) Points will only be awarded to exhibits that are owned by Financial Members of the Victorian Eastern Region as at the time of the ‘Qualifying’ shows.

(i) An animal exhibited by a member of another AAA Region cannot accrue points towards the awards.

(ii) An animal purchased by a VER member that has previously been shown by a member of another AAA Region will only be eligible to earn points towards the award(s) from the date at which the animal was transferred to the VER member on eAlpaca.

(c) Exhibits must be owned by a current Financial Member of the Victorian Eastern Region of the Australian Alpaca Association.

(d) An Alpaca must be exhibited at a minimum of three of the qualifying shows; an alpaca not shown at three qualifying shows will not be eligible for the award except under the special circumstances of rule 3(a).

3. Point Allocation System

With the addition of Colour shows to our VER showing schedule, the rules for Alpaca of the Year were amended to allow for colour sections to be allocated points for the competition.

(a) Age Champion Show

Age Championship Awards	Points Allocated
Supreme Champion	3
Age Champion	6
Best in Colour	6
Age Reserve Champion	5
1st	3
2nd	2
3rd	1

(b) Colour Championship Show

Colour Championship Awards	Points Allocated
Best in Show	3
Supreme Colour	6
Colour Champion (Male or Female)	6
Colour Reserve Champion (Male or Female)	5
1st	3
2nd	2
3rd	1

4. Point Scaling

(a) The Broad Ribbon awards impacted by scaling are:

(i) Age Championship Show

- Age Championship (Male & Female)
- Age Reserve Championship (Male & Female)
- Best In Colour

(ii) Colour Championship Show

- Colour Championship (Male & Female)
- Colour Reserve Championship (Male & Female)
- Colour Supreme Championship

Supreme Champion & Best in Show awards are not impacted by scaling.

(b) Available Championship and Best in Colour points will be halved for exhibits that win against 4 opponents or less across their Championship & Best in Colour classes combined.

The following examples outline a scenario where point scaling would come into effect:

eg. 1) Full Points Awarded:

A Senior White Male at an Age Championship Show is awarded 1st Place in his class against 3 opponents. He achieves Champion Senior Male against 7 other senior males (total of 8). This male won against 3 Senior White Males and 4 Senior Coloured Males (7 in total). This makes him eligible to receive full points for his Champion Senior Male award.

eg. 2) Scaled Points awarded:

The Senior Roan Male at the same show achieved 1st Place in his class against no other opponents (no other Roan entries in his class). This male goes on to achieve Best Roan against 4 other Roans (total of 5). His Best in Colour points are halved as he only won against 4 opponents across the entire show (there were no other opponents in the Senior Roan Male class and only 4 other Roans entered in the entire show).
